"We had our tour booked well in advance of our departure date.

It was going to be an absolute dream come true for us. But, soon after we booked our tour, we found out another dream of ours was about to come true: the birth of our first grandchild!

As it turns out, our daughter in-law was due to have a baby while we would have been in Italy! I called Collette and they gave us a full refund minus the cost of the travel protection. Italy can wait, but babies do not!

Since we did not lose our money, we can come back to book a new tour once our little miracle arrives. Thanks for having us covered, Collette!"
